Tutor In A Box
A brighter future in a box

**Tutor in a Box**
- Online interactive webinar with Maths tutor available to watch and participate in, from any device anywhere in the world.
- Worksheets, exercises and activities designed by a qualified Maths tutor.
- Support for GCSE level Maths students studying for either higher or foundation tier.
- **Maths games** you can play with your family and friends whenever you like.
- Encouragement and inspiration in the form of postcards, posters, badges and stickers.
- Covers a different topic in-depth every month.
- Students encouraged to learn little and often at their own pace.
- Costs as little as £24.99 per month.

**Tutor Session**
- In-person session with Maths tutor at a set location and fixed time, and subject to availability of the tutor.
- Worksheets, exercises and activities with a qualified Maths tutor.
- Support for GCSE level Maths students studying for either higher or foundation tier.
- **Maths games** you can play in your group or with your tutor during the session.
- Encouragement and inspiration only given out during the session.
- Mimics classroom style learning.
- Limited time to cover all topics in great depth.
- Students encouraged to cram their learning into the sessions.
- Can cost around £150 per month depending on location and availability.
