1. Check them carefully or ask a grown-up to check with you!
2. We add -es to make **dresses, wishes** and **dishes**.
3. The apostrophe goes in between the 'n' and 't'. It replaces the letter 'o' in the word 'cannot' to make **can't**.
4. Adjectives are describing words, so you may have found words like **energetic, happy, excited** or any other adjective that describes the dog.
5. A synonym is a word which means the same or is similar to another word. Examples of synonyms for the word **happy** could be **joyful, cheerful** and **gleeful**.
6. A conjunction is a word used to connect two clauses together, in this case the sentence would be: You have a banana in your bag **if** you have time to eat a snack.
7. Your answer should think about why you like the book better than other books you have read.
8. (“)
9. Remember to finish your sentence with a question mark. For example: **Where did Mr. Scooby put all of the snacks?**
10. Check them carefully or ask a grown-up to check with you!
11. Your drawing should include as much detail as possible and look how you imagined it when you read the story!
12. A verb is a doing word. The verb in this sentence is **ran**.
13. Bobby's shoes **are** super shiny.
14. There were two mistakes in this sentence. First an apostrophe for possession was missing in **Bobby's**. Secondly the word **are** was spelt incorrectly.
15. A conjunction is a word used to connect two clauses together, in this case the sentence would be: I got wet **when** it was raining yesterday.
16. Your sentence should use an exclamation mark - the ! symbol. For example: **That is the biggest chocolate cake I have ever seen!**
17. Commas can be used to separate items in a list. In this case the sentence should be: Lisa takes her expensive, shiny, gold saxophone out of its case.
18. (“)
19. Check them carefully or ask a grown-up to check with you!
20. The five vowels in the alphabet are: **A, E, I, O, U**.
21. Read loudly and confidently! Remember to spell out words phonetically if you get stuck.
22. I **ate** tomato pasta with cheese, it **was** yummy! These two words need to be changed so the sentence is in the past tense.
23. Your answer should reflect how the colour red makes you feel, it could be a range of different emotions such as **anger, danger** or **love**.
24. A verb is a doing word, in this case the linking verb could be **'feel'**.
25. Adjectives are describing words which can make sentences more interesting to read. For example: Sam opened the **tattered green** notebook on his **hard** desk.

26. Make sure you give a reason and explain why it was your favourite part of the book so far. Was it to do with a specific character? Or was it a particularly exciting part of the book?
27. (“
28. Check them carefully or ask a grown-up to check with you!
29. Proper nouns name a particular person, place or thing. **They always start with a capital letter**, for example: Emily, London and Saturday are all proper nouns.
30. Both Gabriel and Tesco are proper nouns and should have a capital letter in front of them - My brother **Gabriel** went shopping in **Tesco**.
